

## HOW DOES BLACKCIRCLES.COM WORK?

When you place an order for tyres on Blackcircles.com and select us as the fitter, they send the tyres directly to our garage and they pay us to fit them for you.

The cost includes:

- Delivery of the tyres to us (we bring them to your address)
- Mobile fitting at any address in Aberdeen and certain parts of Aberdeenshire
- New rubber valves
- Tyres balanced
- Disposal of old tyres

It takes Blackcircles 1-2 working days to send the tyres to us, so the next appointment will always show as being 2-3 working days away depending on what time you place the order.

If you contact us BEFORE placing your order, then we may be able to offer a fitting as soon as the tyres have been delivered - this can be as early as the day after the order is placed!

## HOW DO I PLACE AN ORDER USING THE LINK ON YOUR WEBSITE?

- Click "Book Now" when you see our garage, SS Autovalet Mobile Tyres
- Choose a fitting date and arrival window of either AM or PM  
*(AM is arrival between 9am and 1pm and PM is arrival between 1pm and 5pm)*
- Click "Proceed To Basket" once you have selected your appointment
- Click "Search For Tyres" when the pop up appears
- On the next screen, find the "Search By Tyre Size" option. Don't search by vehicle registration as this does not always find the correct tyre size for your vehicle.
- Enter your "Width, Profile, Rim Size and speed rating" as well as your postcode.  
*(Whatsapp us some photos of your tyre sidewall & we can tell you your tyre size!)*
- Choose your tyres and add the quantity you need to your basket
- Proceed to checkout and enter your billing address, fitting address (where you want us to come to) and then your payment details
- Sit back and relax!
